This Simplified Base Prospectus does not comprise a prospectus or a base prospectus under Directive 2003/71/EC (the “Prospectus Directive”) or a document for listing purposes in relation to the Euro MTF market of the Luxembourg Stock Exchange.

This Base Prospectus neither constitutes a prospectus pursuant to Part II of the Luxembourg law on the prospectuses for securities (*loi relative aux prospectus pour valeurs mobilières*) dated 10 July 2005 (the “Luxembourg Prospectus Law”) which implements Directive 2003/71/EC of the European Parliament and the Council of 4 November 2003 (the “Prospectus Directive”) nor a simplified prospectus pursuant to Chapter 2 of Part III of the Luxembourg Prospectus Law. Accordingly, this Base Prospectus does not purport to meet the format and the disclosure requirements of the Prospectus Directive and Commission Regulation (EC) No. 809/2004 approval to any competent authority within the meaning of the Prospectus Directive and in particular the Supervisory Commission of the Financial Sector (*Commission de Surveillance du Secteur Financier*), in its capacity as competent authority under the Luxembourg Prospectus Law. The Issuer has confirmed to the dealers (the “Dealers”) named under “Subscription and Sale” below that the Simplified Base Prospectus is true, accurate and complete in all material respects and is not misleading; that the opinions and intentions expressed therein are honestly held and based on reasonable assumptions; that there are no other facts in relation to the information contained or incorporated by reference in this Simplified Base Prospectus the omission of which would, in the context of the Programme or the issue of the Instruments, make any statement therein or opinions or intentions expressed therein misleading in any material respect; and that all reasonable enquiries have been made to verify the foregoing. The Issuer has further confirmed to the Dealers that this Simplified Base Prospectus (together with the relevant Final Terms) contains all such information as may be required by all applicable laws, rules and regulations.

No person has been authorised by the Issuer to give any information or to make any representation not contained in or not consistent with this Simplified Base Prospectus or any other document entered into in relation to the Programme or any information supplied by the Issuer or such other information as is in the public domain and, if given or made, such information or representation should not be relied upon as having been authorised by the Issuer or any Dealer.

No representation or warranty is made or implied by the Dealers or any of their respective affiliates, and neither the Dealers nor any of their respective affiliates makes any representation or warranty or accepts any responsibility, as to the accuracy or completeness of the information contained in this Simplified Base Prospectus. Neither the delivery of this Simplified Base Prospectus or any Final Terms nor the offering, sale or delivery of any Instrument shall, in any circumstances, create any implication that the information contained in this Simplified Base Prospectus is true subsequent to the date thereof or the date upon which this Simplified Base Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial situation of the Issuer since the date thereof or, if later, the date upon which this Simplified Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Simplified Base Prospectus and any Final Terms and the offering, sale and delivery of the Instruments in certain jurisdictions may be restricted by law. Persons into whose possession this Simplified Base Prospectus or any Final Terms comes are required by the Issuer and the Dealers to inform themselves about and to observe any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Instruments and on the distribution of this Simplified Base Prospectus or any Final Terms and other offering material relating to the Instruments, see “Subscription and Sale”. In particular, Instruments have not been and will not be registered under the United States Securities Act of 1933 (as amended) and may include Instruments in bearer form which are subject to U.S. tax law requirements. Subject to certain exceptions, Instruments may not be offered, sold or delivered within the United States or to U.S. persons.

**Neither this Simplified Base Prospectus nor any Final Terms may be used for the purpose of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such an offer or solicitation.**

Neither this Simplified Base Prospectus nor any Final Terms constitutes an offer or an invitation to subscribe for or purchase any Instruments and should not be considered as a recommendation by the Issuer, the Dealers or any of them that any recipient of this Simplified Base Prospectus or any Final Terms should subscribe for or purchase any Instruments. Each recipient of this Simplified Base Prospectus or any Final Terms shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer.

All references in this Simplified Base Prospectus to “U.S.\$”, “U.S. dollars” or “USD” are to the lawful currency of the United States of America and all references to “Euro” or “euro” are to the single currency introduced at the third stage of European Economic and Monetary Union, pursuant to the Treaty establishing the European Communities, as amended (the “Treaty”).

#### **DOCUMENTS INCORPORATED BY REFERENCE**

All amendments and supplements to this Simplified Base Prospectus prepared by the Issuer from time to time shall be deemed to be incorporated in, and to form part of, this Simplified Base Prospectus save that any statement contained in this Simplified Base Prospectus or in any of the documents incorporated by reference in, and forming part of, this Simplified Base Prospectus shall be deemed to be modified or superseded for the purpose of this Simplified Base Prospectus to the extent that a statement contained in any document subsequently incorporated by reference modifies or supersedes such statement.

The Issuer will undertake, in connection with the admission to listing and trading of the Instruments on the regulated market of the Luxembourg Stock Exchange or the admission of the Instruments to listing, trading and/or quotation by any other listing authorities, stock exchanges and/or quotation systems, that if, while Instruments of the Issuer are outstanding and admitted to trading on the regulated market of the Luxembourg Stock Exchange or admitted to listing, listing and trading and/or quotation on any other listing authorities, stock exchanges and/or quotation systems, there shall occur any adverse change in the financial situation of the Issuer or any change in the information set out under “Terms and Conditions of the Instruments” that is material in the context of issuance under the Programme which is not reflected in this Simplified Base Prospectus (or any of the documents incorporated by reference in this Simplified Base Prospectus) the Issuer will prepare or procure the preparation of an amendment or supplement to this Simplified Base Prospectus or, as the case may be, publish a new Simplified Base Prospectus for use in connection with any subsequent issue by the Issuer of Instruments to be admitted to trading on the regulated market of the Luxembourg Stock Exchange or admitted to listing, listing and trading and/or quotation on any other listing authorities, stock exchanges and/or quotation systems.

The Issuer will, at the specified offices of the Paying Agents, provide, free of charge, upon the oral or written request therefor, a copy of this Simplified Base Prospectus (or any document incorporated by reference in this Simplified Base Prospectus). Written or oral requests for such documents should be directed to the specified office of any Paying Agent or the specified office of the Listing Agent in Luxembourg.

**In connection with the issue of any Tranche of Instruments, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Instruments (provided that, in the case of any Tranche of Instruments to be admitted to listing and trading on the regulated market of the Luxembourg Stock Exchange, the aggregate principal**

amount of Instruments allotted does not exceed 105 per cent. of the aggregate principal amount of the relevant Tranche) or effect transactions with a view to supporting the market price of the Instruments at a level higher than that which might otherwise prevail.

However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Instruments is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Instruments and 60 days after the date of the allotment of the relevant Tranche of Instruments.

## TERMS AND CONDITIONS OF THE INSTRUMENTS

*The following are the Terms and Conditions of the Instruments which as supplemented, modified or replaced in relation to any Instruments by the relevant Final Terms, will be applicable to each Series of Instruments:*

The Instruments are issued pursuant to and in accordance with an issue and paying agency agreement (as amended, supplemented or replaced, the “Issue and Paying Agency Agreement”) dated 15 July 1998, and made between the Republic of Italy (the “Issuer”), acting through the Director of Direction II of the Treasury Department empowered thereunto by the Minister of Economy and Finance, Citibank, N.A., London office in its capacities as fiscal agent (the “Fiscal Agent”, which expression shall include any successor to Citibank, N.A., London office in its capacity as such) and as principal registrar (the “Principal Registrar”, which expression shall include any successor to Citibank, N.A., London office in its capacity as such), Citibank International Plc, Belgium Branch in its capacity as alternative registrar (the “Alternative Registrar”, which expression shall include any successor to Citibank International Plc, Belgium Branch in its capacity as such) and the paying agents named therein (the “Paying Agents”, which expression shall include the Fiscal Agent and any substitute or additional paying agents appointed in accordance with the Issue and Paying Agency Agreement). Copies of the Issue and Paying Agency Agreement are available for inspection during normal business hours at the specified office of each of the Paying Agents, the Principal Registrar and the Alternative Registrar. All persons from time to time entitled to the benefit of obligations under any Instruments shall be deemed to have notice of, and shall be bound by, all of the provisions of the Issue and Paying Agency Agreement insofar as they relate to the relevant Instruments.

The Instruments are issued in series (each, a “Series”), and each Series may comprise one or more tranches (“Tranches” and each, a “Tranche”) of Instruments. Each Tranche will be the subject of final terms (each, “Final Terms”), a copy of which will be available for inspection during normal business hours at the specified office of the Fiscal Agent and/or, as the case may be, the Registrar (as defined in Condition 2.2). In the case of a Tranche of Instruments in relation to which application has not been made for listing on any stock exchange, copies of the Final Terms will only be available for inspection by a Holder of such Instruments.

References in these Terms and Conditions to Instruments are to Instruments of the relevant Series and any references to Coupons (as defined in Condition 1.6) and Receipts (as defined in Condition 1.7) are to Coupons and Receipts relating to Instruments of the relevant Series.

References in these Terms and Conditions to the Final Terms are to the Final Terms or Pricing Supplement(s) prepared in relation to the Instruments of the relevant Tranche or Series.

In respect of any Instruments, references herein to these Terms and Conditions are to these terms and conditions as supplemented or modified or (to the extent thereof) replaced by the Final Terms.

In accordance with currently applicable legislation, including the provisions of Legislative Decree No. 213 of 24 June 1998, the Issuer is allowed to issue debt instruments in bearer form and in dematerialised form only. References in these Terms and Conditions and the documentation relating to the Programme to Registered Instruments and to Definitive Instruments shall be read accordingly.

### **1. Form and Denomination**

**1.1** Instruments are issued in bearer form (“Bearer Instruments”), in dematerialised form as provided by Legislative Decree No. 213 of 24 June 1998 or in registered form (“Registered Instruments”), as specified in the Final Terms and are serially numbered. Registered Instruments will not be exchangeable for Bearer Instruments.

#### *Bearer Instruments*

**1.2** The Final Terms shall specify whether U.S. Treasury Regulation § 1.163-5(c)(2)(i)(D) (the “TEFRA D Rules”) or U.S. Treasury Regulation § 1.163-5(c)(2)(i)(C) (the “TEFRA C Rules”) shall apply. Each Tranche of Bearer Instruments is represented upon issue by a temporary global Instrument (a “Temporary Global Instrument”), unless the Final Terms specify otherwise and the TEFRA C Rules apply.

Where the Final Terms applicable to a Tranche of Bearer Instruments specifies that the TEFRA C Rules apply, such Tranche is (unless otherwise specified in the Final Terms) represented upon issue by a Permanent Global Instrument.

Interests in the Temporary Global Instrument may be exchanged for:

- (i) interests in a permanent global Instrument (a “Permanent Global Instrument”); or
- (ii) if so specified in the Final Terms, definitive instruments in bearer form (“Definitive Instruments”) and/or (in the case of a Series comprising both Bearer Instruments and Registered Instruments and if so specified in the Final Terms) Registered Instruments.

Exchanges of interests in a Temporary Global Instrument for Definitive Instruments or, as the case may be, a Permanent Global Instrument will be made only on or after the Exchange Date (as specified in the Final Terms) and (unless the Final Terms specify that the TEFRA C Rules are applicable to the Instruments) provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Instrument or in such other form as is customarily issued in such circumstances by the relevant clearing system) has been received. An exchange for Registered Instruments will be made at any time or from such date as may be specified in the Final Terms, in each case, without any requirement for certification.

**1.3** The bearer of any Temporary Global Instrument shall not (unless, upon due presentation of such Temporary Global Instrument for exchange (in whole but not in part only) for a Permanent Global Instrument or for delivery of Definitive Instruments and/or Registered Instruments, such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment in respect of the Instruments represented by such Temporary Global Instrument which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date.

**1.4** Unless the Final Terms specify that the TEFRA C Rules are applicable to the Instruments and subject to Condition 1.3 above, if any date on which a payment of interest is due on the Instruments of a Tranche occurs whilst any of the Instruments of that Tranche are represented by a Temporary Global Instrument, the related interest payment will be made on the Temporary Global Instrument only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Instrument or in such other form as is customarily issued in such circumstances by the relevant clearing system) has been received by Euroclear Bank SA/NV, (“Euroclear”) or Clearstream Banking, société anonyme, Luxembourg (“Clearstream, Luxembourg”) or any other relevant clearing system including the Clearstream Banking AG Frankfurt. Payments of principal, interest or any other amounts due in respect of a Permanent Global Instrument or (subject to Condition 1.3 above) a Temporary Global Instrument (if the Final Terms specify that the TEFRA C Rules are applicable to the Instruments) will be made through Euroclear or Clearstream, Luxembourg or any other relevant clearing system without any requirement for certification.

**1.5** Interests in a Permanent Global Instrument will be exchanged by the Issuer in whole but not in part only at the option of the Holder of such Permanent Global Instrument, for Definitive Instruments and/or (in the case of a Series comprising both Bearer and Registered Instruments and if so specified in the Final Terms) Registered Instruments, (a) if an Event of Default occurs in respect of any Instrument of the relevant Series; or (b) if Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention to cease business permanently or in fact does so or any of the circumstances described in Condition 7 (*Events of Default*) occurs, in all cases at the cost and expense of the Issuer. If the Issuer does not make the required delivery of Definitive Instruments and/or Registered Instruments by 6.00 p.m. (London time) on the day on which the relevant notice period expires or, as the case may be, the thirtieth day after the day on which such Permanent Global Instrument becomes due to be exchanged and, in the case of (a) above, such Instrument is not duly redeemed (or the funds required for such redemption are not available to the Fiscal Agent for the purposes of effecting such redemption and remain available for such purpose) by 6.00 p.m. (London time) on

the thirtieth day after the day at which such Instrument became immediately redeemable then the bearer of the Permanent Global Instrument or any accountholder or participant with a clearing system holding an interest in the Permanent Global Instrument will thereupon be able to enforce against the Issuer all rights which they would have had if they had been holding Definitive Instruments in an amount equal to the value of their holding in the relevant clearing system.

**1.6** Interest-bearing Definitive Instruments have attached thereto at the time of their initial delivery coupons (“Coupons”), presentation of which will be a prerequisite to the payment of interest save in certain circumstances specified herein. Interest-bearing Definitive Instruments, if so specified in the Final Terms, have attached thereto at the time of their initial delivery, a talon (“Talon”) for further coupons and the expression “Coupons” shall, where the context so requires, include Talons.

**1.7** Instruments, the principal amount of which is repayable by instalments (“Instalment Instruments”) which are Definitive Instruments, have endorsed thereon a grid for recording the repayment of principal or, if so specified in the Final Terms, have attached thereto at the time of their initial delivery, payment receipts (“Receipts”) in respect of the instalments of principal.

### ***Denomination***

#### ***Denomination of Bearer Instruments***

**1.8** Bearer Instruments are in the denomination or denominations (each of which denomination is integrally divisible by each smaller denomination) specified in the Final Terms. Bearer Instruments of one denomination may not be exchanged for Bearer Instruments of any other denomination.

#### ***Denomination of Registered Instruments***

**1.9** Registered Instruments are in the minimum denomination specified in the Final Terms or integral multiples thereof.

#### ***Currency of Instruments***

**1.10** The Instruments are denominated in such currency as may be specified in the Final Terms. Any currency may be so specified (including, without limitation, Australian Dollars (“AUD”), Canadian Dollars (“CAD”), Czech Koruna (“CZK”), Danish Kroner (“DKK”), Euro (“Euro”), Hong Kong Dollars (“HKD”), Japanese Yen (“JPY”), New Zealand Dollars (“NZD”), Norwegian Kroner (“NKR”), Polish Zloty (“PLN”), Pounds Sterling (“GBP”), South African Rand (“ZAR”), Swedish Kronor (“SEK”), Swiss Francs (“CHF”) and United States dollars (“USD”)), subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

#### ***Partly Paid Instruments***

**1.11** Instruments may be issued on a partly paid basis (“Partly Paid Instruments”) if so specified in the Final Terms. The subscription moneys therefor shall be paid in such number of instalments (“Partly Paid Instalments”) in such amounts, on such dates and in such manner as may be specified in the Final Terms. The first such instalment shall be due and payable on the date of issue of the Instruments. For the purposes of these Terms and Conditions, in respect of any Partly Paid Instrument, (“Paid Up Amount”) means the aggregate amount of all Partly Paid Instalments in respect thereof as shall have fallen due and been paid up in full in accordance with the Terms and Conditions.

Not less than 14 days nor more than 30 days prior to the due date for payment of any Partly Paid Instalment (other than the first such Instalment) the Issuer shall publish a notice in accordance with Condition 14 stating the due date for payment thereof and stating that failure to pay any such Partly Paid Instalment on or prior to such date will entitle the Issuer to forfeit the Instruments with effect from such date (“Forfeiture Date”) as may be specified in such notice (not being less than 14 days after the due date for payment of such Partly Paid Instalment), unless payment of the relevant Partly Paid Instalment together with any interest accrued thereon is paid prior to the Forfeiture Date. The Issuer shall procure that any Partly Paid Instalments paid in respect of

any Instruments subsequent to the Forfeiture Date in respect thereof shall be returned promptly to the persons entitled thereto. The Issuer shall not be liable for any interest on any Partly Paid Instalment so returned.

Interest shall accrue on any Partly Paid Instalment which is not paid on or prior to the due date for payment thereof at the Interest Rate (in the case of non-interest bearing Instruments, at the rate applicable to overdue payments) and shall be calculated in the same manner and on the same basis as if it were interest accruing on the Instruments for the period from and including the due date for payment of the relevant Partly Paid Instalment up to but excluding the Forfeiture Date. For the purpose of the accrual of interest, any payment of any Partly Paid Instalment made after the due date for payment shall be treated as having been made on the day preceding the Forfeiture Date (whether or not a Business Day as defined in Condition 5.9).

Unless an Event of Default shall have occurred and be continuing, on the Forfeiture Date, the Issuer shall forfeit all of the Instruments in respect of which any Partly Paid Instalment shall not have been duly paid, whereupon the Issuer shall be entitled to retain all Partly Paid Instalments previously paid in respect of such Instruments and shall be discharged from any obligation to repay such amount or to pay interest thereon, or (where such Instruments are represented by a Temporary Global Instrument or a Permanent Global Instrument) to exchange any interests in such Instrument for interests in a Permanent Global Instrument or to deliver Definitive Instruments or Registered Instruments in respect thereof, but shall have no other rights against any person entitled to the Instruments which have been so forfeited.

Without prejudice to the right of the Issuer to forfeit any Instruments, for so long as any Partly Paid Instalment remains due but unpaid, and except in the case where an Event of Default shall have occurred and be continuing (a) no interests in a Temporary Global Instrument may be exchanged for interests in a Permanent Global Instrument and (b) no transfers of Registered Instruments or exchanges of Bearer Instruments for Registered Instruments may be requested or effected.

Until such time as all the subscription moneys in respect of Partly Paid Instruments shall have been paid in full and except in the case where an Event of Default shall have occurred and be continuing or if any of Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so, no interests in a Temporary Global Instrument or a Permanent Global Instrument may be exchanged for Definitive Instruments or Registered Instruments.

## **2. Title and Transfer**

**2.1** Title to Bearer Instruments, Receipts and Coupons passes by delivery. References herein to the “Holders” of Bearer Instruments or of Receipts or Coupons are to the bearers of such Bearer Instruments or such Receipts or Coupons.

**2.2** Title to Registered Instruments passes by registration in the register which the Issuer shall procure to be kept by the Registrar. For the purposes of these Terms and Conditions, “Registrar” means, in relation to any Series comprising Registered Instruments, the Principal Registrar or, as the case may be, the Alternative Registrar, as specified in the Final Terms, provided always that where such Series is admitted to listing and trading on the regulated market of the Luxembourg Stock Exchange, “Registrar” shall mean, for so long as the Rules of the Luxembourg Stock Exchange require, an agent resident in the Grand Duchy of Luxembourg, as specified in the Final Terms. References herein to the “Holders” of Registered Instruments are to the persons in whose names such Registered Instruments are so registered in the relevant register.

**2.3** The Holder of any Bearer Instrument, Coupon or Registered Instrument will (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof) and no person shall be liable for so treating such Holder.

### *Transfer of Registered Instruments and exchange of Bearer Instruments for Registered Instruments*

**2.4** A Registered Instrument may, upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement, be transferred in whole or in part only (provided that such part is, or is an integral

multiple of, the minimum denomination specified in the Final Terms) upon the surrender of the Registered Instrument to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar, or the specified office of the Paying Agent in Luxembourg. A new Registered Instrument will be issued to the transferee and, in the case of a transfer of part only of a Registered Instrument, a new Registered Instrument in respect of the balance not transferred will be issued to the transferor. Registered Instruments held in global form shall be transferred in accordance with the rules and regulations of the relevant clearing systems.

**2.5** If so specified in the Final Terms, the Holder of Bearer Instruments may exchange the same for the same aggregate principal amount of Registered Instruments upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement. In order to exchange a Bearer Instrument for a Registered Instrument, the Holder thereof shall surrender such Bearer Instrument at the specified office outside the United States of the Fiscal Agent or of the Registrar together with a written request for the exchange. Each Bearer Instrument so surrendered must be accompanied by all unmatured Receipts and Coupons appertaining thereto other than the Coupon in respect of the next payment of interest falling due after the exchange date (as defined in Condition 2.6) where the exchange date would, but for the provisions of Condition 2.6, occur between the Record Date (as defined in Condition 9B.3) for such payment of interest and the date on which such payment of interest falls due.

**2.6** Each new Registered Instrument to be issued upon the transfer of a Registered Instrument or the exchange of a Bearer Instrument for a Registered Instrument will, within three Relevant Banking Days of the transfer date or, as the case may be, the exchange date be available for collection by each relevant Holder at the specified office of the Registrar or, at the option of the Holder requesting such exchange or transfer be mailed (by uninsured post at the risk of the Holder(s) entitled thereto) to such address(es) as may be specified by such Holder. For these purposes, a form of transfer or request for exchange received by the Registrar or the Fiscal Agent after the Record Date in respect of any payment due in respect of Registered Instruments shall be deemed not to be effectively received by the Registrar or the Fiscal Agent until the day following the due date for such payment.

For the purposes of these Terms and Conditions,

- (i) “Relevant Banking Day” means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of the Registrar is located and, in the case only of an exchange of a Bearer Instrument for a Registered Instrument where such request for exchange is made to the Fiscal Agent, in the place where the specified office of the Fiscal Agent is located;

**2.7** The issue of new Registered Instruments on transfer or on the exchange of Bearer Instruments for Registered Instruments will be effected without charge by or on behalf of the Issuer, the Fiscal Agent or the Registrar, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Issuer, the Fiscal Agent or the Registrar may require in respect of) any tax, duty or other governmental charges which may be imposed in relation thereto.

**2.8** Upon the transfer, exchange or replacement of Registered Instruments bearing the private placement legend (the “Private Placement Legend”) set forth in the form of Registered Instrument scheduled to the Issue and Paying Agency Agreement, the Registrar shall deliver only Registered Instruments that also bear such legend unless either (i) such transfer, exchange or replacement occurs three or more years after the later of (1) the original issue date of such Instruments or (2) the last date on which the Issuer or any affiliates (as defined below) of the Issuer as notified to the Registrar by the Issuer as provided in the following sentence, was the beneficial owner of such Instrument (or any predecessor of such Instrument) or (ii) there is delivered

to the Registrar an opinion reasonably satisfactory to the Issuer of counsel experienced in giving opinions with respect to questions arising under the securities laws of the United States to the effect that neither such legend nor the restrictions on transfer set forth therein are required in order to maintain compliance with the provisions of such laws. The Issuer covenants and agrees that it will not acquire any beneficial interest, and will cause its “affiliates” (as defined in paragraph (a)(1) of Rule 144 under the Securities Act of 1933, as amended (the “Securities Act”)) not to acquire any beneficial interest, in any Registered Instrument bearing the Private Placement Legend unless it notifies the Registrar of such acquisition. The Registrar and all Holders shall be entitled to rely without further investigation on any such notification (or lack thereof).

**2.9** For so long as any of the Registered Instruments bearing the Private Placement Legend remain outstanding and are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer covenants and agrees that it shall, during any period in which it is not subject to Section 13 or 15(d) under the United States Securities Exchange Act of 1934 nor exempt from reporting pursuant to Rule 12g3-2(b) under such Act, make available to any Holder in connection with any sale thereof and any prospective purchaser of such Instruments from such Holder, in each case upon request, the information specified in, and meeting the requirements of, Rule 144(d)(4) under the Securities Act.

### **3. Status of the Instruments**

The Instruments shall be equivalent in all respects to Italian public debt securities and the proceeds of the issue of Instruments shall be equivalent in all respects to the proceeds of Italian public debt securities.

For this purpose, “External Indebtedness” means all indebtedness of the Issuer in respect of moneys borrowed by the Issuer on the international market.

### **4. Negative Pledge**

So long as any of the Instruments remain outstanding, the Issuer will not grant or have outstanding any mortgage, lien (other than a lien arising by operation of law), pledge or other charge upon the whole or any part of its revenues, property or assets, present or future, to secure any bonds, notes or like securities (or any guarantee thereof) that are placed outside the Republic of Italy without at the same time according to the Instruments the same security as is granted or is outstanding in respect thereof.

### **5. Interest**

#### *Interest*

**5.1** Instruments may be interest-bearing or non interest-bearing, as specified in the Final Terms. Words and expressions appearing in this Condition 5 and not otherwise defined herein or in the Final Terms shall have the meanings given to them in Condition 5.9.

#### *Interest-bearing Instruments*

**5.2** Instruments which are specified in the Final Terms as being interest-bearing shall bear interest from their Interest Commencement Date at the Interest Rate payable in arrear on each Interest Payment Date.

#### *Floating Rate Instruments*

**5.3** If the Final Terms specify the Interest Rate applicable to the Instruments as being Floating Rate it shall also specify which page (the “Relevant Screen Page”) on the Reuters Screen or Telerate or any other information vending service shall be applicable. If such a page is so specified, the Interest Rate applicable to

the relevant Instruments for each Interest Accrual Period shall be determined by the Calculation Agent on the following basis:

- (i) the Calculation Agent will determine the rate for deposits (or, as the case may require, the arithmetic mean (rounded, if necessary, to the nearest ten thousandth of a percentage point, 0.00005 being rounded upwards) of the rates for deposits) in the relevant currency for a period of the duration of the relevant Interest Accrual Period on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) if, on any Interest Determination Date, no such rate for deposits so appears (or, as the case may be, if fewer than two such rates for deposits so appear) or if the Relevant Screen Page is unavailable, the Calculation Agent will request appropriate quotations and will determine the arithmetic mean (rounded as aforesaid) of the rates at which deposits in the relevant currency are offered by four major banks in the London interbank market (or, in the case where the Floating Rate basis is EURIBOR, in the Euro-zone interbank Market), selected by the Issuer in accordance with the Calculation Agent, at approximately the Relevant Time on the Interest Determination Date to prime banks in the London interbank market (or, in the case where the Floating Rate basis is EURIBOR, in the Euro-zone interbank Market) for a period of the duration of the relevant Interest Accrual Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;
- (iii) if, on any Interest Determination Date, only two or three rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as aforesaid) of the rates so quoted; or
- (iv) if fewer than two rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as aforesaid) of the rates quoted by four major banks in the Relevant Financial Centre (or, in the case of Instruments denominated in Euro, in such financial centre or centres within the euro-zone as the Calculation Agent may select) selected by the Issuer in accordance with the Calculation Agent, at approximately 11.00 a.m. (Relevant Financial Centre time (or local time at such other financial centre or centres in the Euro-zone as aforesaid)) on the first day of the relevant Interest Accrual Period for loans in the relevant currency to leading European banks for a period of the duration of the relevant Interest Accrual Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;

and the Interest Rate applicable to such Instruments during each Interest Accrual Period will be the sum of the relevant margin (the “Relevant Margin”) specified in the Final Terms and the rate (or, as the case may be, the arithmetic mean (rounded as aforesaid) of the rates) so determined provided, however, that, if the Calculation Agent is unable to determine a rate (or, as the case may be, an arithmetic mean of rates) in accordance with the above provisions in relation to any Interest Accrual Period, the Interest Rate applicable to such Instruments during such Interest Accrual Period will be the sum of the Relevant Margin and the rate (or, as the case may be, the arithmetic mean (rounded as aforesaid) of the rates) determined in relation to such Instruments in respect of the last preceding Interest Accrual Period.

#### *ISDA Rate Instruments*

**5.4** If the Final Terms specify the Interest Rate applicable to the Instruments as being ISDA Rate, each Instrument shall bear interest as from such date, and at such rate or in such amounts, and such interest will be payable on such dates, as would have applied (regardless of any event of default or termination event or tax event thereunder) if the Issuer had entered into an interest rate swap transaction with the Holder of such Instrument under the terms of an agreement to which the ISDA Definitions applied and under which:

- the Fixed Rate Payer, Fixed Amount Payer, Fixed Price Payer, Floating Rate Payer, Floating Amount Payer or, as the case may be, the Floating Price Payer is the Issuer (as specified in the Final Terms);

#### *Accrual of Interest*

**5.6** Interest shall accrue on the Outstanding Principal Amount of each Instrument during each Interest Accrual Period from the Interest Commencement Date. Interest will cease to accrue as from the due date for redemption therefor (or, in the case of an Instalment Instrument, in respect of each instalment of principal, on the due date for payment of the relevant Instalment Amount) unless upon due presentation or surrender thereof (if required), payment in full of the Redemption Amount (as defined in Condition 6.9) or the relevant Instalment Amount is improperly withheld or refused or default is otherwise made in the payment thereof in which case interest shall continue to accrue on the principal amount in respect of which payment has been improperly withheld or refused or default has been made (as well after as before any demand or judgment) at the Interest Rate then applicable or such other rate as may be specified for this purpose in the Final Terms until the date on which, upon due presentation or surrender of the relevant Instrument (if required), the relevant payment is made or, if earlier (except where presentation or surrender of the relevant Instrument is not required as a precondition of payment), the seventh day after the date on which, the Fiscal Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the Holders of the Instruments in accordance with Condition 14 that the Fiscal Agent or, as the case may be, the Registrar has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

#### *Interest Amount(s), Calculation Agent and Reference Banks*

**5.7** If a Calculation Agent is specified in the Final Terms, the Calculation Agent, as soon as practicable after the Relevant Time on each Interest Determination Date (or such other time on such date as the Calculation Agent may be required to calculate any Redemption Amount or Instalment Amount, obtain any quote or make any determination or calculation) will determine the Interest Rate and calculate the amount(s) of interest payable (the “Interest Amount(s)”) in respect of each denomination of the Instruments (in the case of Bearer Instruments) and the minimum denomination (in the case of Registered Instruments) for the relevant Interest Accrual Period, calculate the Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Interest Rate and the Interest Amounts for each Interest Period and the relevant Interest Payment Date or, as the case may be, the Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Registrar (in the case

of Registered Instruments), the Issuer, the Holders in accordance with Condition 14 and, if the Instruments are listed on a stock exchange and the rules of such exchange so requires, such exchange as soon as possible after their determination or calculation but in no event later than the fourth London Banking Day thereafter or, if earlier in the case of notification to the stock exchange, the time required by the relevant stock exchange. The Interest Amounts and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of an Interest Accrual Period or the Interest Period. If the Instruments become due and payable under Condition 7, the Interest Rate and the accrued interest payable in respect of the Instruments shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Interest Rate or the Interest Amount so calculated need be made. The determination of each Interest Rate, Interest Amount, Redemption Amount and Instalment Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon the Issuer and the Holders and neither the Calculation Agent nor any Reference Bank shall have any liability to the Holders in respect of any determination, calculation, quote or rate made or provided by it.

The Issuer will procure that there shall at all times be such Reference Banks as may be required for the purpose of determining the Interest Rate applicable to the Instruments and a Calculation Agent, if provision is made for one in the Terms and Conditions.

If the Calculation Agent is incapable or unwilling to act as such or if the Calculation Agent fails duly to establish the Interest Rate for any Interest Accrual Period or to calculate the Interest Amounts or any other requirements, the Issuer will appoint the London office of a leading bank engaged in the London interbank market to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

#### *Calculations and Adjustments*

**5.8** The amount of interest payable in respect of any Instrument for any period shall be calculated by multiplying the product of the Interest Rate and the Outstanding Principal Amount by the Day Count Fraction, save that (i) if the Final Terms specify a specific amount in respect of such period, the amount of interest payable in respect of such Instrument for such period will be equal to such specified amount and (ii) in the case of Instruments where the Interest Rate is fixed and a specific amount is not specified in the Final Terms as described above, the amount of interest shall be calculated on the following basis:

- (a) if “Actual/Actual (ICMA)” is specified in the Final Terms as the Day Count Fraction, and the relevant period falls during a Regular Period (as defined below), on the basis that the relevant Day Count Fraction will be the number of days in the relevant period divided by the product of (A) the number of days in the Regular Period in which the relevant period falls and (B) the number of Regular Periods in any period of one year; or
- (b) if “Actual/Actual (ICMA)” is specified hereon and the relevant period begins in one Regular Period and ends in the next succeeding Regular Period, interest will be calculated on the basis of the sum of:
  - (A) the number of days in the relevant period falling within the first such Regular Period divided by the product of (1) the number of days in the first such Regular Period and (2) the number of Regular Periods in any period of one year; and
  - (B) the number of days in the relevant period falling within the second such Regular Period divided by the product of (1) the number of days in the second such Regular Period and (2) the number of Regular Periods in any period of one year;
- (c) if “30/360” is specified in the Final Terms on the basis of a 360 day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the number of days elapsed; or

- (d) on such other basis as is specified in the Final Terms (including, without limitation, if the Interest Payment Dates do not fall at regular intervals between the Issue Date and the Maturity Date).

For the purposes of this Condition:

- (i) the day and month (but not the year) on which any Interest Payment Date falls shall be a “Regular Date”; and
- (ii) each period from and including a Regular Date falling in any year to but excluding the next succeeding Regular Date shall be a “Regular Period”.

For the purposes of any calculations referred to in these Terms and Conditions (unless otherwise specified in the Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States Dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in Euro or any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

### **6. Redemption and Purchase**

#### *Redemption at Maturity*

**6.1** Unless previously redeemed, or purchased and cancelled or unless such Instrument is stated in the Final Terms as having no fixed maturity date, each Instrument shall be redeemed at its maturity redemption amount (the “Maturity Redemption Amount”) (which shall be its Outstanding Principal Amount or such other redemption amount as may be specified in or determined in accordance with the Final Terms) (or, in the case of Instalment Instruments, in such number of instalments and in such amounts (“Instalment Amounts”) as may be specified in, or determined in accordance with the provisions of, the Final Terms) on the date or dates (or, in the case of Instruments which bear interest at a floating rate of interest, on the date or dates upon which interest is payable) specified in the Final Terms.

#### *Optional Early Redemption (Call)*

**6.2** If this Condition 6.2 is specified in the Final Terms as being applicable, then the Issuer may, having given the appropriate notice and subject to such conditions as may be specified in the Final Terms, redeem all (but not, unless and to the extent that the Final Terms specify otherwise, some only) of the Instruments of the relevant Series at their call early redemption amount (the “Early Redemption Amount (Call)”) (which shall be their Outstanding Principal Amount or, in the case of Instruments which are non-interest bearing, their Amortised Face Amount (as defined in Condition 6.10) or such other redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms), together with accrued interest (if any) thereon on the date specified in such notice. In the case of a partial redemption of Instruments, the Instruments to be redeemed (“Redeemed Instruments”) will be selected individually by lot, in the case of Redeemed Instruments represented by definitive Instruments, and in accordance with the rules and procedures of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Instruments represented by a Global Instrument, not more than 30 days prior to the date fixed for redemption.

The Issuer may not exercise such option in respect of any Instrument which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Instrument under Condition 6.5.

**6.3** The appropriate notice referred to in Condition 6.2 is a notice given by the Issuer to the Holders of the Instruments of the relevant Series in accordance with Condition 14, which notice shall be irrevocable and shall specify:

- the Series of Instruments subject to redemption;
- whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of and (except in the case of a Temporary Global Instrument or Permanent Global Instrument) the serial numbers of the Instruments of the relevant Series which are to be redeemed;
- the due date for such redemption, which shall be not less than thirty days nor more than sixty days after the date on which such notice is given and which shall be such date or the next of such dates (“Call Option Date(s)”) or a day falling within such period (“Call Option Period”), as may be specified in the Final Terms and which is, in the case of Instruments which bear interest at a floating rate, a date upon which interest is payable; and
- the Early Redemption Amount (Call) at which such Instruments are to be redeemed.

#### *Partial Redemption*

**6.4** If the Instruments of a Series are to be redeemed in part only on any date in accordance with Condition 6.2:

- in the case of Bearer Instruments (other than a Temporary Global Instrument or Permanent Global Instrument), the Instruments to be redeemed shall be drawn by lot in such European city as the Fiscal Agent may specify, or identified in such other manner or in such other place as the Fiscal Agent may approve and deem appropriate and fair;
- in the case of a Temporary Global Instrument or a Permanent Global Instrument, the Instruments to be redeemed shall be selected in accordance with the rules of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system; and
- in the case of Registered Instruments, the Instruments shall be redeemed (so far as may be practicable) pro rata to their principal amounts, provided always that the amount redeemed in respect of each Instrument shall be equal to the minimum denomination thereof or an integral multiple thereof,

subject always to compliance with all applicable laws and the requirements of any stock exchange on which the relevant Instruments may be listed.

In the case of the redemption of part only of a Registered Instrument, a new Registered Instrument in respect of the unredeemed balance shall be issued in accordance with Conditions 2.4 to 2.9 which shall apply as in the case of a transfer of Registered Instruments as if such new Registered Instrument were in respect of the untransferred balance.

#### *Optional Early Redemption (Put)*

**6.5** If this Condition 6.5 is specified in the Final Terms as being applicable, then the Issuer shall, upon the exercise of the relevant option by the Holder of any Instrument of the relevant Series, redeem such Instrument on the date specified in the relevant Put Notice (as defined below) at its put early redemption amount (the “Early Redemption Amount (Put)”) (which shall be its Outstanding Principal Amount or, if such Instrument is non-interest bearing, its Amortised Face Amount (as defined in Condition 6.10) or such other redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms), together with accrued interest (if any) thereon. In order to exercise such option, the Holder must, not less than forty-five days before the date on which such redemption is required to be made as specified in the Put Notice (which date shall be such date or the next of the dates (“Put Date(s)”) or a day falling within such period (“Put Period”) as may be specified in the Final Terms), deposit the relevant Instrument

(together, in the case of an interest-bearing Definitive Instrument, with all unmatured Coupons appertaining thereto other than any Coupon maturing on or before the date of redemption (failing which the provisions of Condition 9A.6 apply)) during normal business hours at the specified office of, in the case of a Bearer Instrument, any Paying Agent or, in the case of a Registered Instrument, the Registrar together with a duly completed early redemption notice (“Put Notice”) in the form which is available from the specified office of any of the Paying Agents or, as the case may be, the Registrar specifying, in the case of a Temporary Global Instrument or Permanent Global Instrument or Registered Instrument, the aggregate principal amount in respect of which such option is exercised (which must be the minimum denomination specified in the Final Terms or an integral multiple thereof). No Instrument so deposited and option exercised may be withdrawn (except as provided in the Issue and Paying Agency Agreement).

In the case of the redemption of part only of a Registered Instrument, a new Registered Instrument in respect of the unredeemed balance shall be issued in accordance with Conditions 2.4 to 2.9 which shall apply as in the case of a transfer of Registered Instruments as if such new Registered Instrument were in respect of the untransferred balance.

The holder of an Instrument may not exercise such option in respect of any Instrument which is the subject of an exercise by the Issuer of its option to redeem such Instrument under Condition 6.2.

#### *Purchase of Instruments*

**6.6** The Issuer may at any time purchase Instruments in the open market or otherwise and at any price provided that all unmatured Receipts and Coupons appertaining thereto are purchased therewith. If purchases are made by tender, tenders must be available to all Holders of Instruments alike.

#### *Cancellation of Redeemed and Purchased Instruments*

**6.7** All unmatured Instruments and Coupons redeemed or purchased in accordance with this Condition 6 will be cancelled forthwith and may not be reissued or resold.

#### *Further Provisions applicable to Redemption Amount and Instalment Amounts*

**6.8** The provisions of Condition 5.7 and the last paragraph of Condition 5.8 shall apply to any determination or calculation of the Redemption Amount or any Instalment Amount required by the Final Terms to be made by the Calculation Agent (as defined in Condition 5.9).

**6.9** References herein to “Redemption Amount” shall mean, as appropriate, the Maturity Redemption Amount, the final Instalment Amount, Early Redemption Amount (Tax), Early Redemption Amount (Call), Early Redemption Amount (Put) and Early Termination Amount or such other amount in the nature of a redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms.

**6.10** In the case of any Instrument which is non-interest bearing, the “Amortised Face Amount” shall be an amount equal to the sum of:

- (i) the Issue Price specified in the Final Terms; and
- (ii) the product of the Amortisation Yield (compounded annually) being applied to the Issue Price from (and including) the Issue Date specified in the Final Terms to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Instrument becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of the Day Count Fraction (as defined in Condition 5.9) specified in the Final Terms for the purposes of this Condition 6.10.

**6.11** If any Redemption Amount (other than the Maturity Redemption Amount) is improperly withheld or refused or default is otherwise made in the payment thereof, the Amortised Face Amount shall be calculated

as provided in Condition 6.10 but as if references in subparagraph (ii) to the date fixed for redemption or the date upon which such Instrument becomes due and repayable were replaced by references to the earlier of:

- (i) the date on which, upon due presentation or surrender of the relevant Instrument (if required), the relevant payment is made; and
- (ii) (except where presentation or surrender of the relevant Instrument is not required as a precondition of payment), the seventh day after the date on which, the Fiscal Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the Holders of the Instruments in accordance with Condition 14 of that circumstance (except to the extent that there is a failure in the subsequent payment thereof to the relevant Holder).

## **7. Events of Default**

**7.1** The following events or circumstances as modified by, and/or such other events as may be specified in, the Final Terms (each an “Event of Default”) shall be acceleration events in relation to the Instruments of any Series, namely:

- (i) *Non-payment:* the Issuer fails to pay any amount of principal or interest in respect of the Instruments of the relevant Series or any of them within 30 days of the due date for payment thereof; or
- (ii) *Breach of other obligations:* the Issuer defaults in the performance or observance of any of its other obligations under or in respect of the Instruments of the relevant Series or the Issue and Paying Agency Agreement and (except in any case where such default is incapable of remedy when no such continuation or notice, as is hereinafter mentioned, will be required) such default remains unremedied for 30 days after written notice requiring such default to be remedied has been delivered to the Issuer at the specified office of the Fiscal Agent by the Holder of any such Instrument; or
- (iii) *Non-payment of External Indebtedness:* if the Issuer fails to pay any principal or interest on any External Indebtedness on its due date or any External Indebtedness has become due for premature repayment as a result of acceleration of maturity by reason of default.

**7.2** If any Event of Default shall occur in relation to any Series of Instruments, any Holder of an Instrument of the relevant Series may, by written notice to the Issuer, at the specified office of the Fiscal Agent, declare that such Instrument and (if the Instrument is interest-bearing) all interest then accrued on such Instrument shall be forthwith due and payable, whereupon the same shall become immediately due and payable at its early termination amount (the “Early Termination Amount”) (which shall be its Outstanding Principal Amount or, if such Instrument is non-interest bearing, its Amortised Face Amount (as defined in Condition 6.10) or such other redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms), together with all interest (if any) accrued thereon without presentment, demand, protest or other notice of any kind, all of which the Issuer will expressly waive, anything contained in such Instruments to the contrary notwithstanding, unless, prior thereto, all Events of Default in respect of the Instruments of the relevant Series shall have been cured.

## **8. Taxation**

**8.1** All amounts payable (whether in respect of principal, interest or otherwise) in respect of the Instruments will be made free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the Republic of Italy or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, the Issuer will pay such additional amounts as may be necessary in order that the net amounts receivable by the Holder after such withholding or deduction shall equal the respective amounts which would have been receivable by such Holder in the absence of such

withholding or deduction; except that no such additional amounts shall be payable in relation to any payment in respect of any Instrument or Coupon:

- (i) to, or to a third party on behalf of, a Holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Instrument or Coupon by reason of his having some connection with the Republic of Italy other than by reason of (a) the mere holding of such Instrument or Coupon or (b) the receipt of principal, interest or other amount in respect of such Instrument or Coupon; or
- (ii) presented for payment more than thirty days after the Relevant Date, except to the extent that the relevant Holder would have been entitled to such additional amounts on presenting the same for payment on or before the expiry of such period of thirty days; or
- (iii) presented for payment in the Republic of Italy; or
- (iv) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (v) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Instrument or Coupon to another Paying Agent in a Member State of the EU.

**8.2** For the purposes of these Terms and Conditions, the “Relevant Date” means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Fiscal Agent, or as the case may be, the Registrar on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received and being available for payment to Holders, notice to that effect shall have been duly given to the Holders of the Instruments of the relevant Series in accordance with Condition 14.

**8.3** If the Issuer becomes subject generally at any time to any taxing jurisdiction other than or in addition to the Republic of Italy references in Condition 8.1 to the Republic of Italy shall be read and construed as references to the Republic of Italy and/or to such other jurisdiction(s).

**8.4** Any reference in these Terms and Conditions to “principal” and/or “interest” in respect of the Instruments shall be deemed also to refer to any additional amounts which may be payable under this Condition 8. Unless the context otherwise requires, any reference in these Terms and Conditions to “principal” shall include any premium payable in respect of an Instrument, any Instalment Amount or Redemption Amount and any other amounts in the nature of principal payable pursuant to these Terms and Conditions and “interest” shall include all amounts payable pursuant to Condition 5 and any other amounts in the nature of interest payable pursuant to these Terms and Conditions.

## **9. Payments**

### **9A Payments — Bearer Instruments**

**9A.1** This Condition 9A is applicable in relation to Instruments in bearer form.

**9A.2** Payment of amounts (other than interest) due in respect of Bearer Instruments will be made against presentation and (save in the case of partial payment or payment of an Instalment Amount (other than the final Instalment Amount)) surrender of the relevant Bearer Instruments at the specified office of any of the Paying Agents.

Payment of Instalment Amounts (other than the final Instalment Amount) in respect of an Instalment Instrument which is a Definitive Instrument with Receipts will be made against presentation of the Instrument together with the relevant Receipt and surrender of such Receipt at the specified office of any of the Paying Agents.

The Receipts are not and shall not in any circumstances be deemed to be documents of title and if separated from the Instrument to which they relate will not represent any obligation of the Issuer. Accordingly, the presentation of an Instrument without the relative Receipt or the presentation of a Receipt without the Instrument to which it appertains shall not entitle the Holder to any payment in respect of the relevant Instalment Amount.

**9A.3** Payment of amounts in respect of interest on Bearer Instruments will be made:

- (i) in the case of a Temporary Global Instrument or Permanent Global Instrument, against presentation of the relevant Temporary Global Instrument or Permanent Global Instrument at the specified office of any of the Paying Agents outside (unless Condition 9A.4 applies) the United States and, in the case of a Temporary Global Instrument, upon due certification as required therein;
- (ii) in the case of Definitive Instruments without Coupons attached thereto at the time of their initial delivery, against presentation of the relevant Definitive Instruments at the specified office of any of the Paying Agents outside (unless Condition 9A.4 applies) the United States; and
- (iii) in the case of Definitive Instruments delivered with Coupons attached thereto at the time of their initial delivery, against surrender of the relevant Coupons or, in the case of interest due otherwise than on a scheduled date for the payment of interest, against presentation of the relevant Definitive Instruments, in either case at the specified office of any of the Paying Agents outside (unless Condition 9A.4 applies) the United States.

**9A.4** Payments of amounts due in respect of interest on the Bearer Instruments and exchanges of Talons for Coupon sheets in accordance with Condition 9A.7 will not be made at the specified office of any Paying Agent in the United States (as defined in the United States Internal Revenue Code and Regulations thereunder) unless (a) payment in full of amounts due in respect of interest on such Instruments when due or, as the case may be, the exchange of Talons at all the specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (b) such payment or exchange is permitted by applicable United States law. If paragraphs (a) and (b) of the previous sentence apply, the Issuer shall forthwith appoint a further Paying Agent with a specified office in New York City.

**9A.5** If the due date for payment of any amount due in respect of any Bearer Instrument is not a Relevant Financial Centre Day (as defined in Condition 9C.3), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day, and from such day and thereafter will be entitled to receive payment by cheque on any local banking day, and will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.6 or, if appropriate, Condition 5.10.

**9A.6** Each Definitive Instrument initially delivered with Coupons, Talons or Receipts attached thereto should be presented and, save in the case of partial payment of the Redemption Amount, surrendered for final redemption together with all unmatured Receipts, Coupons and Talons relating thereto, failing which:

- (i) if the Final Terms specify that this paragraph (i) of Condition 9A.6 is applicable (and, in the absence of specification, this paragraph (i) shall apply to Definitive Instruments which bear interest at a fixed rate or rates or in fixed amounts) and subject as hereinafter provided, the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the Redemption Amount paid bears to the total Redemption Amount due) (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) will be deducted from the amount otherwise payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at

the specified office of any of the Paying Agents at any time within ten years of the Relevant Date applicable to payment of such Redemption Amount;

- (ii) if the Final Terms specify that this paragraph (ii) of Condition 9A.6 is applicable (and, in the absence of specification, this paragraph (ii) shall apply to Instruments which bear interest at a floating rate or rates or in variable amounts) all unmatured Coupons (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) relating to such Definitive Instruments (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them;
- (iii) in the case of Definitive Instruments initially delivered with Talons attached thereto, all unmatured Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them; and
- (iv) in the case of Definitive Instruments initially delivered with Receipts attached thereto, all Receipts relating to such Instruments in respect of a payment of an Instalment Amount which (but for such redemption) would have fallen due on a date after such due date for redemption (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them.

The provisions of paragraph (i) of this Condition 9A.6 notwithstanding, if any Definitive Instruments should be issued with a maturity date and an Interest Rate or Rates such that, on the presentation for payment of any such Definitive Instrument without any unmatured Coupons attached thereto or surrendered therewith, the amount required by paragraph (i) to be deducted would be greater than the Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Definitive Instrument, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of paragraph (i) in respect of such Coupons as have not so become void, the amount required by paragraph (i) to be deducted would not be greater than the Redemption Amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Definitive Instrument to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates (Payments of interest and principal on Global Instruments will be made in accordance with the rules and regulations of the relevant clearing systems).

**9A.7** In relation to Definitive Instruments initially delivered with Talons attached thereto, on or after the due date for the payment of interest on which the final Coupon comprised in any Coupon sheet matures, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside (unless Condition 9A.4 applies) the United States in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 10 below. Each Talon shall, for the purpose of these Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

## **9B Payments — Registered Instruments**

**9B.1** This Condition 9B is applicable in relation to Instruments in registered form.

**9B.2** Payment of the Redemption Amount (together with accrued interest) due in respect of Registered Instruments will be made against presentation and, save in the case of partial payment of the Redemption Amount, surrender of the relevant Registered Instruments at the specified office of the Registrar. If the due date for payment of the Redemption Amount of any Registered Instrument is not a Relevant Financial Centre Day (as defined in Condition 9C.3), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day, and from such day and thereafter will be entitled to receive payment by cheque on any local banking day, and, will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated

account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.6 or, as appropriate, Condition 5.10.

**9B.3** Payment of amounts (whether principal, interest or otherwise) due (other than the Redemption Amount) in respect of Registered Instruments will be paid to the Holder thereof (or, in the case of joint Holders, the first-named) as appearing in the register kept by the Registrar as at opening of business (local time in the place of the specified office of the Registrar) on the fifteenth Relevant Banking Day (as defined in Condition 2.6) before the due date for such payment (the “Record Date”).

**9B.4** Notwithstanding the provisions of Condition 9C.2, payment of amounts (whether principal, interest or otherwise) due (other than the Redemption Amount) in respect of Registered Instruments will be made in the currency in which such amount is due by cheque (in the case of payment in sterling, drawn on a town clearing branch of a bank in the city of London) and posted to the address (as recorded in the register held by the Registrar) of the Holder thereof (or, in the case of joint Holders, the first-named) on the Relevant Banking Day (as defined in Condition 2.6) not later than the relevant due date for payment unless prior to the relevant Record Date the Holder thereof (or, in the case of joint Holders, the first-named) has applied to the Registrar and the Registrar has acknowledged such application for payment to be made to a designated account denominated in the relevant currency in which case payment shall be made on the relevant due date for payment by transfer to such account. In the case of payment by transfer to an account, if the due date for any such payment is not a Relevant Financial Centre Day, then the Holder thereof will not be entitled to payment thereof until the first day thereafter which is a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.6 or, as appropriate, Condition 5.10.

## **9C Payments — General Provisions**

**9C.1** Save as otherwise specified in these Terms and Conditions, this Condition 9C is applicable in relation to Instruments whether in bearer or in registered form.

**9C.2** Payments of amounts due (whether principal, interest or otherwise) in respect of Instruments will be made in the currency in which such amount is due by cheque (in the case of payment in sterling, drawn on a bank in the city of London) or by transfer to an account denominated in the relevant currency specified by the payee. Payments will, without prejudice to the provisions of Condition 8, be subject in all cases to any applicable fiscal or other laws and regulations.

**9C.3** For the purposes of these Terms and Conditions:

- (i) “Relevant Financial Centre Day” means, in the case of any currency other than Euro, a day on which commercial banks and foreign exchange markets settle payments in the Relevant Financial Centre and in any other place specified in the Final Terms or in the case of payment in Euro, a TARGET Business Day; and
- (ii) “local banking day” means a day (other than a Saturday or Sunday) on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place of presentation of the relevant Instrument or, as the case may be, Coupon.

**9C.4** No commissions or expenses shall be charged to the holders of Instruments or Coupons in respect of such payments.

## **10. Prescription**

**10.1** Claims against the Issuer for payment of principal and interest in respect of Instruments will be prescribed and become void unless made within five years of the Relevant Date (as defined in Condition 8.2) for payment thereof.

**10.2** In relation to Definitive Instruments initially delivered with Talons attached thereto, there shall not be included in any Coupon sheet issued upon exchange of a Talon any Coupon which would be void upon issue pursuant to Condition 9A.6 or the due date for the payment of which would fall after the due date for the redemption of the relevant Instrument or which would be void pursuant to this Condition 10 or any Talon the maturity date of which would fall after the due date for redemption of the relevant Instrument.

## **11. The Paying Agents, the Registrars and the Calculation Agent**

**11.1** The initial Paying Agents and Registrars and their respective initial specified offices are specified below. The Calculation Agent in respect of any Instruments shall be specified in the Final Terms. The Issuer reserves the right at any time to vary or terminate the appointment of any Paying Agent (including the Fiscal Agent) or the Registrar or the Calculation Agent and to appoint additional or other Paying Agents or another Registrar or another Calculation Agent Provided that it will at all times maintain (i) a Fiscal Agent, (ii) in the case of Registered Instruments, a Registrar, (iii) a Paying Agent (which may be the Fiscal Agent) with a specified office in a continental European city, (iv) so long as the Instruments are admitted to listing and trading on the regulated market of the Luxembourg Stock Exchange and/or any other stock exchange, a Paying Agent (which may be the Fiscal Agent) or a Registrar, as applicable, with a specified office in Luxembourg and/or in such other place as may be required by the rules of such other stock exchange, (v) in the circumstances described in Condition 9A.4, a Paying Agent with a specified office in New York City, (vi) a Paying Agent in a EU member state that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive, and (vii) a Calculation Agent where required by the Terms and Conditions applicable to any Instruments (in the case of (i), (ii), (iii), (iv), (v) and (vi) with a specified office located in such place (if any) as may be required by the Terms and Conditions). The Paying Agents, the Registrar and the Calculation Agent reserve the right at any time to change their respective specified offices to some other specified office in the same city. Notice of all changes in the identities or specified offices of any Paying Agent, the Registrar or the Calculation Agent will be given promptly by the Issuer to the Holders in accordance with Condition 14.

**11.2** The Paying Agents, the Registrar and the Calculation Agent act solely as agents of the Issuer and, save as provided in the Issue and Paying Agency Agreement or any other agreement entered into with respect to its appointment, do not assume any obligations towards or relationship of agency or trust for any Holder of any Instrument, Receipt or Coupon and each of them shall only be responsible for the performance of the duties and obligations expressly imposed upon it in the Issue and Paying Agency Agreement or other agreement entered into with respect to its appointment or incidental thereto.

## **12. Replacement of Instruments**

If any Instrument, Receipt or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Fiscal Agent or such Paying Agent or Paying Agents as may be specified for such purpose in the Final Terms (in the case of Bearer Instruments and Coupons) or of the Registrar (in the case of Registered Instruments) ("Replacement Agent"), subject to all applicable laws and the requirements of any stock exchange or other relevant authority on which the Instruments are listed, upon payment by the claimant of all expenses incurred in connection with such replacement and upon such terms as to evidence, security, indemnity and otherwise as the Issuer and the Replacement Agent may require. Mutilated or defaced Instruments, Receipts and Coupons must be surrendered before replacements will be delivered therefor.

### **13. Meetings of Holders and Modification**

The Issue and Paying Agency Agreement contains provisions (which shall have effect as if incorporated herein) for convening meetings of the Holders of Instruments of any Series to consider any matter affecting their interest, including (without limitation) the modification by Extraordinary Resolution (as defined in the Issue and Paying Agency Agreement) of these Terms and Conditions insofar as the same may apply to such Instruments. An Extraordinary Resolution passed at any meeting of the Holders of Instruments of any Series will be binding on all Holders of the Instruments of such Series, whether or not they are present at the meeting, and on all Holders of Coupons relating to Instruments of such Series.

The Issuer may, with the consent of the Fiscal Agent, but without the consent of the Holders of the Instruments of any Series or Coupons, amend these Terms and Conditions insofar as they may apply to such Instruments to correct a manifest error. Subject as aforesaid, no other modification may be made to these Terms and Conditions except with the sanction of an Extraordinary Resolution.

### **14. Notices**

#### *To Holders of Bearer Instruments*

**14.1** Notices to Holders of Bearer Instruments will, save where another means of effective communication has been specified herein or in the Final Terms, be deemed to be validly given if (i) published in a leading daily newspaper having general circulation in London (which is expected to be the Financial Times) (ii) in the case of any Instruments which are admitted to listing and trading on the regulated market of the Luxembourg Stock Exchange (so long as such Instruments are admitted to listing and trading on the regulated market of the Luxembourg Stock Exchange and the rules of that exchange so require), in a leading daily newspaper having general circulation in Luxembourg (which is expected to be the *d'Wort*) or (in the case of (i) or (ii)), if such publication is not practicable, if published in a leading English language daily newspaper having general circulation in Europe (or, if permitted by the rules of the relevant stock exchange, in the case of Instruments represented by a Temporary Global Instrument or Permanent Global Instrument, if delivered to Euroclear and Clearstream, Luxembourg and/or any other relevant clearing system for communication by them to the persons shown in their respective records as having interests therein). The Issuer shall also ensure that notices are duly published in compliance with the requirements of each stock exchange on which the Instruments are listed. Any notice so given will be deemed to have been validly given on the date of first such publication (or, if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers) or, as the case may be, on the fourth weekday after the date of such delivery to Euroclear and Clearstream, Luxembourg and/or such other clearing system. Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Instruments in accordance with this Condition.

#### *To Holders of Registered Instruments*

**14.2** Notices to Holders of Registered Instruments will be deemed to be validly given if sent by first class mail (or equivalent) or (if posted to an overseas address) by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day. With respect to Registered Instruments admitted to listing and trading on the regulated market of the Luxembourg Stock Exchange, any notices to holders must also be published in a Luxembourg daily newspaper and, in addition to the foregoing, will be deemed validly given only after the date of such publication.

### **15. Further Issues**

The Issuer may from time to time, without the consent of the Holders of any Instruments or Coupons, create and issue further instruments, bonds or debentures having the same terms and conditions as such Instruments in all respects (or in all respects except for the first payment of interest, if any, on them and/or the denomination thereof) so as to form a single series with the Instruments of any particular Series.

## **16. Currency Indemnity**

The currency in which the Instruments are denominated or, if different, payable, as specified in the Final Terms (the “Contractual Currency”), is the sole currency of account and payment for all sums payable by the Issuer in respect of the Instruments, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction or otherwise) by any Holder of an Instrument or Coupon in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of an Instrument or Coupon in respect of such Instrument or Coupon the Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the Issuer’s other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of an Instrument or Coupon and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Instruments or any judgment or order. Any such loss aforesaid shall be deemed to constitute a loss suffered by the relevant Holder of an Instrument or Coupon and no proof or evidence of any actual loss will be required by the Issuer.

## **17. Waiver and Remedies**

No failure to exercise, and no delay in exercising, on the part of the Holder of any Instrument, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

## **18. Law and Jurisdiction**

**18.1** The Instruments and the Issue and Paying Agency Agreement are governed by, and shall be construed in accordance with Italian law. The Italian Courts shall have exclusive jurisdiction in accordance with all applicable Italian laws.

**18.2** To the extent that the Issuer may be entitled to claim for itself or its assets immunity from suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process and to the extent that there may be attributed to itself or its assets immunity (whether or not claimed), the Issuer agrees not to claim and irrevocably waives such immunity to the full extent permitted by Italian law.

## FORMS OF THE INSTRUMENTS

Each Tranche of Instruments will initially be in the form of either a temporary global instrument (the “Temporary Global Instrument”), without interest coupons, or a permanent global instrument (the “Permanent Global Instrument”), without interest coupons, in each case as specified in the relevant Final Terms. Each Temporary Global Instrument or, as the case may be, Permanent Global Instrument (each a “Global Instrument”) which is not intended to be issued in new global note form (a “Classic Global Instrument” or “CGN”), as specified in the relevant Final Terms, will be deposited on or around the issue date of the relevant Tranche of the Instruments with a depositary or a common depositary for Euroclear Bank SA/NV (“Euroclear”) and/or Clearstream Banking, société anonyme, Luxembourg (“Clearstream, Luxembourg”) and/or any other relevant clearing system and each Global Instrument which is intended to be issued in new global note form (“NGN”), as specified in the relevant Final Terms, will be deposited on or around the issue date of the relevant Tranche of the Instruments with a common safekeeper for Euroclear and/or Clearstream, Luxembourg.

On 13 June 2006, the European Central Bank (the “ECB”) announced that instruments in NGN form are in compliance with the “Standards for the use of EU securities settlement systems in ESCB credit operations” of the central banking system for the euro (the “Eurosysteem”), provided that certain other criteria are fulfilled. At the same time, the ECB also announced that arrangements for instruments in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of 30 June 2006 and that instruments in global bearer form issued through Euroclear and Clearstream, Luxembourg after 31 December 2006 will only be eligible as collateral for Eurosysteem operations if the NGN form is used.

The relevant Final Terms will also specify whether United States Treasury Regulation §1.163-5(c)(2)(i)(C) (the “TEFRA C Rules”) or United States Treasury Regulation §1.163-5(c)(2)(i)(D) (the “TEFRA D Rules”) are applicable in relation to the Instruments or, if the Instruments do not have a maturity of more than 365 days, that neither the TEFRA C Rules nor the TEFRA D Rules are applicable.

### **Temporary Global Instrument exchangeable for Permanent Global Instrument**

If the relevant Final Terms specify the form of Instruments as being “Temporary Global Instrument exchangeable for a Permanent Global Instrument”, then the Instruments will initially be in the form of a Temporary Global Instrument which will be exchangeable, in whole or in part, for interests in a Permanent Global Instrument, without interest coupons, not earlier than 40 days after the issue date of the relevant Tranche of the Instruments upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Instrument unless exchange for interests in the Permanent Global Instrument is improperly withheld or refused. In addition, interest payments in respect of the Instruments cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Instrument is to be exchanged for an interest in a Permanent Global Instrument, the Issuer shall procure (in the case of first exchange) the prompt delivery (free of charge to the bearer) of such Permanent Global Instrument to the bearer of the Temporary Global Instrument or (in the case of any subsequent exchange) an increase in the principal amount of the Permanent Global Instrument in accordance with its terms against:

- (i) presentation and (in the case of final exchange) surrender of the Temporary Global Instrument to or to the order of the Fiscal Agent; and
- (ii) receipt by the Fiscal Agent of a certificate or certificates of non-U.S. beneficial ownership,

within 7 days of the bearer requesting such exchange.

The principal amount of the Permanent Global Instrument shall be equal to the aggregate of the principal amounts specified in the certificates of non-U.S. beneficial ownership; *provided, however, that* in no circumstances shall the principal amount of the Permanent Global Instrument exceed the initial principal amount of the Temporary Global Instrument.

The Permanent Global Instrument will be exchangeable in whole, but not in part, for Instruments in definitive form (“Definitive Instruments”):

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms; or
- (ii) at any time, if so specified in the relevant Final Terms; or
- (iii) if the relevant Final Terms specifies “in the limited circumstances described in the Permanent Global Instrument”, then if (a) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) any of the circumstances described in Condition 7 (*Events of Default*) occurs.

Whenever the Permanent Global Instrument is to be exchanged for Definitive Instruments, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Instruments, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Permanent Global Instrument to the bearer of the Permanent Global Instrument against the surrender of the Permanent Global Instrument to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

#### **Temporary Global Instrument exchangeable for Definitive Instruments**

If the relevant Final Terms specifies the form of Instruments as being “Temporary Global Instrument exchangeable for Definitive Instruments” and also specifies that the TEFRA C Rules are applicable or that neither the TEFRA C Rules or the TEFRA D Rules are applicable, then the Instruments will initially be in the form of a Temporary Global Instrument which will be exchangeable, in whole but not in part, for Definitive Instruments not earlier than 40 days after the issue date of the relevant Tranche of the Instruments.

If the relevant Final Terms specifies the form of Instruments as being “Temporary Global Instrument exchangeable for Definitive Instruments” and also specifies that the TEFRA D Rules are applicable, then the Instruments will initially be in the form of a Temporary Global Instrument which will be exchangeable, in whole or in part, for Definitive Instruments not earlier than 40 days after the issue date of the relevant Tranche of the Instruments upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Instruments cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever the Temporary Global Instrument is to be exchanged for Definitive Instruments, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Instruments, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Temporary Global Instrument to the bearer of the Temporary Global Instrument against the surrender of the Temporary Global Instrument to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

#### **Permanent Global Instrument exchangeable for Definitive Instruments**

If the relevant Final Terms specifies the form of Instruments as being “Permanent Global Instrument exchangeable for Definitive Instruments”, then the Instruments will initially be in the form of a Permanent Global Instrument which will be exchangeable in whole, but not in part, for Definitive Instruments:

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms; or
- (ii) at any time, if so specified in the relevant Final Terms; or
- (iii) if the relevant Final Terms specifies “in the limited circumstances described in the Permanent Global Instrument”, then if (a) Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) any of the circumstances described in Condition 7 (*Events of Default*) occurs.

Whenever the Permanent Global Instrument is to be exchanged for Definitive Instruments, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Instruments, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Permanent Global Instrument to the bearer of the Permanent Global Instrument against the surrender of the Permanent Global Instrument to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

### **Terms and Conditions applicable to the Instruments**

The terms and conditions applicable to any Definitive Instrument will be endorsed on that Instrument and will consist of the terms and conditions set out under “Terms and Conditions of the Instruments” below and the provisions of the relevant Final Terms which supplement, amend and/or replace those terms and conditions.

The terms and conditions applicable to any Instrument in global form will differ from those terms and conditions which would apply to the Instrument were it in definitive form to the extent described under “Provisions Relating to the Instruments while in Global Form” below.

### **Legend concerning United States persons**

In the case of any Tranche of Instruments having a maturity of more than 365 days, the Instruments in global form, the Instruments in definitive form and any Coupons and Talons appertaining thereto will bear a legend to the following effect:

“Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code.”

## **PROVISIONS RELATING TO THE INSTRUMENTS WHILST IN GLOBAL FORM**

### **(A) Relationship of Accountholders with Clearing Systems**

In relation to any Tranche of Instruments in bearer form represented by a Global Instrument, references in the Terms and Conditions of the Instruments to “holder” are references to the bearer of the relevant Global Instrument which, for so long as the Global Instrument is held by a depositary or a common depositary, in the case of a CGN, or a common safekeeper, in the case of an NGN for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that depositary or common depositary or, as the case may be, common safekeeper.

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or any other clearing system as the holder of an Instrument represented by a Global Instrument (which expression includes a Temporary Global Instrument and a Permanent Global Instrument) must look solely to Euroclear, Clearstream, Luxembourg or such other clearing system (as the case may be) for such person’s share of each payment made by the Issuer to the bearer of such Global Instrument (or the registered holder of the Global Registered Instrument, as the case may be), and in relation to all other rights arising under the Global Instruments, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg or such clearing system (as the case may be). Payments of interest and principal on Global Instruments will be made in accordance with the rules and regulations of the relevant clearing systems. Such persons shall have no claim directly against the Issuer in respect of payments due on the Instruments for so long as the Instruments are represented by such Global Instrument or Global Registered Instrument and such obligations of the Issuer will be discharged by payment to the bearer of such Global Instrument (or the registered holder of the Global Registered Instrument, as the case may be), in respect of each amount so paid. References in these provisions relating to the Instruments in global form to “holder” or “accountholder” are to those persons shown in the records of the relevant clearing system as a holder of an Instrument.

## **(B) Form and Exchange — Bearer Global Instruments**

### **Exchange of Temporary Global Instruments**

Whenever any interest in a Temporary Global Instrument is to be exchanged for an interest in a Permanent Global Instrument, the Issuer shall procure:

- (a) in the case of first exchange, the prompt delivery (free of charge to the bearer) of such Permanent Global Instrument, duly authenticated and, in the case of an NGN, effectuated, to the bearer of the Temporary Global Instrument; or
- (b) in the case of any subsequent exchange, an increase in the principal amount of such Permanent Global Instrument in accordance with its terms,

in each case in an aggregate principal amount equal to the aggregate of the principal amounts specified in the certificates issued by Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and received by the Fiscal Agent against presentation and (in the case of final exchange) surrender of the Temporary Global Instrument to or to the order of the Fiscal Agent within 7 days of the bearer requesting such exchange.

Whenever a Temporary Global Instrument is to be exchanged for Definitive Instruments, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Instruments, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Temporary Global Instrument to the bearer of the Temporary Global Instrument against the surrender of the Temporary Global Instrument to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

If:

- (a) a Permanent Global Instrument has not been delivered or the principal amount thereof increased by 5.00 p.m. (London time) on the seventh day after the bearer of a Temporary Global Instrument has requested exchange of an interest in the Temporary Global Instrument for an interest in a Permanent Global Instrument; or
- (b) Definitive Instruments have not been delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer of a Temporary Global Instrument has requested exchange of the Temporary Global Instrument for Definitive Instruments; or
- (c) a Temporary Global Instrument (or any part thereof) has become due and payable in accordance with the Terms and Conditions of the Instruments or the date for final redemption of a Temporary Global Instrument has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer of the Temporary Global Instrument in accordance with the terms of the Temporary Global Instrument on the due date for payment,

then the terms of such Temporary Global Instrument provide for relevant account holders (which, for the purposes hereof, shall be deemed to be the Holder of the relevant Instrument as referred to in Condition 7) with Euroclear and Clearstream, Luxembourg and any other agreed clearing system as applicable, to be able to enforce against the Issuer all rights which they would have had if they had been holding Definitive Instruments to the relevant value at the time of such event.

### **Exchange of Permanent Global Instruments**

Whenever a Permanent Global Instrument is to be exchanged for Definitive Instruments, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Instruments, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms), in an aggregate principal amount equal to the principal amount of the Permanent Global Instrument to the bearer of the Permanent Global Instrument against the surrender of the Permanent Global Instrument to or to the order of the Fiscal Agent within 30 days of the bearer requesting such exchange.

If:

- (a) Definitive Instruments have not been delivered by 5.00 p.m. (London time) on the thirtieth day after the bearer of a Permanent Global Instrument has duly requested exchange of the Permanent Global Instrument for Definitive Instruments; or
- (b) a Permanent Global Instrument (or any part of it) has become due and payable in accordance with the Terms and Conditions of the Instruments or the date for final redemption of the Instruments has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the bearer of the Permanent Global Instrument in accordance with the terms of the Permanent Global Instrument on the due date for payment,

then the terms of such Permanent Global Instrument provide for relevant account holders (which, for the purposes hereof, shall be deemed to be the Holder of the relevant Instrument as referred to in Condition 7) with Euroclear and Clearstream, Luxembourg and any other agreed clearing system as applicable, to be able to enforce against the Issuer all rights which they would have had if they had been holding Definitive Instruments to the relevant value at the time of such event.

### **(C) Form and Exchange — Global Registered Instruments**

(1) *Global Registered Instrument:* Registered Instruments held in Euroclear and/or Clearstream, Luxembourg (or other clearing system) will be represented by a Global Registered Instrument which will be registered in the name of a nominee for, and deposited with, a common depositary for Euroclear and Clearstream, Luxembourg (or such other relevant clearing system).

(2) *Exchange:* The Global Registered Instrument will become exchangeable in whole, but not in part, for individual Registered Instruments if (a) Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business, (b) any of the circumstances described in Condition 7 occurs, or (c) at any time at the request of the registered Holder if so specified in the Final Terms.

Whenever the Global Registered Instrument is to be exchanged for Registered Instruments, such Registered Instruments will be issued in an aggregate principal amount equal to the principal amount of the Global Registered Instrument within five business days of the delivery, by or on behalf of the registered Holder of the Global Registered Instrument, Euroclear and/or Clearstream, Luxembourg, to the Registrar of such information as is required to complete and deliver such Registered Instruments (including, without limitation, the names and addresses of the persons in whose names the Registered Instruments are to be registered and the principal amount of each such person's holding) against the surrender of the Global Registered Instrument at the Specified Office of the Registrar. Such exchange will be effected in accordance with the provisions of the Issue and Paying Agency Agreement and the regulations concerning the transfer and registration of Instruments scheduled thereto and, in particular, shall be effected without charge to any Holder, but against such indemnity as the Registrar may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If (a) Registered Instruments have not been issued and delivered by 5.00 p.m. (London time) on the thirtieth day after the date on which the same are due to be issued and delivered in accordance with the terms of the Global Registered Instrument or (b) any of the Instruments evidenced by the Global Registered Instrument has become due and payable in accordance with the Conditions or the date for final redemption of the Instruments has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the Holder of the Global Registered Instrument on the due date for payment in accordance with the terms of the Global Registered Instrument, then the terms of such Global Registered Instrument provide for relevant account holders (which, for the purposes hereof, shall be deemed to be the Holder of the relevant Instrument as referred to in Condition 7) with Euroclear and Clearstream, Luxembourg and any other agreed clearing system as applicable, to be able to enforce against the Issuer all rights which they would have had if they had been holding Definitive Instruments to the relevant value at the time of such event. Payments by the Issuer to the relevant account holders will be considered as payments to the relevant Holder and operate as full and final discharge to the Issuer in this respect.

#### **(D) Amendment to Conditions**

The Temporary Global Instruments, Permanent Global Instruments and Global Registered Instruments contain provisions that apply to the Instruments that they represent, some of which modify the effect of the Terms and Conditions of the Instruments set out in this Base Prospectus. The following is a summary of certain of those provisions:

(1) *Meetings:* The holder of a Permanent Global Instrument or of the Instruments represented by a Global Registered Instrument shall (unless such Permanent Global Instrument or Global Registered Instrument represents only one Instrument) be treated as being two persons for the purposes of any quorum requirements of a meeting of holders and, at any such meeting, the holder of a Permanent Global Instrument shall be treated as having one vote in respect of each minimum Denomination of Instruments for which such Global Instrument may be exchanged. (All holders of Registered Instruments are entitled to one vote in respect of each Instrument comprising such holder's holding, whether or not represented by a Global Registered Instrument.)

(2) *Cancellation:* Cancellation of any Instrument represented by a Permanent Global Instrument that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the principal amount of the relevant Permanent Global Instrument.

(3) *Purchase:* Instruments represented by a Permanent Global Instrument may only be purchased by the Issuer or any of its subsidiaries if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

(4) *Issuer's Options:* Any option of the Issuer provided for in the Conditions of the Instruments while such Instruments are represented by a Permanent Global Instrument or a Global Registered Instrument shall be exercised by the Issuer giving notice to the holders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Instruments drawn in the case of a partial exercise of an option and accordingly no drawing of Instruments shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Instruments of any Series, the rights of accountholders with a clearing system in respect of the Instruments will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg or any other clearing system (as the case may be) to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion.

(5) *Holders' Options:* Any option of the holders provided for in the Conditions of any Instruments while such Instruments are represented by a Permanent Global Instrument or a Global Registered Instrument may be exercised by the Holder of such Permanent Global Instrument or Global Registered Instrument, giving notice to the Fiscal Agent within the time limits relating to the deposit of Instruments with a Paying Agent or the Registrar, in the case of a Global Registered Instrument substantially in the form of the notice available from any Paying Agent (or the Registrar, in the case of a Global Registered Instrument), except that the notice shall not be required to contain the serial numbers of the Instruments in respect of which the option has been exercised, and stating the principal amount of Instruments in respect of which the option is exercised and at the same time presenting for notation the Permanent Global Instrument or the Global Registered Instrument to the Fiscal Agent, or to a Paying Agent acting on behalf of the Fiscal Agent, (or the Registrar, in the case of a Global Registered Instrument).

(6) *Notices:* So long as any Instruments are represented by a Permanent Global Instrument or Registered Global Instrument and such Permanent Global Instrument or Global Registered Instrument is held on behalf of a clearing system, notices to the holders of Instruments of that Series may be given by delivery of the relevant notice to the clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the Holder of the Permanent Global Instrument or Global Registered Instrument except that so long as the Instruments are admitted to listing and trading on the regulated market of the Luxembourg Stock Exchange and the rules of that exchange so require, notice shall also be published in a leading daily newspaper having general circulation in Luxembourg (which is expected to be the *d'Wort*).

### **USE OF PROCEEDS**

The net proceeds of the issue of each Tranche of Instruments will be applied by the Issuer to meet part of its general financing requirements.

## ITALIAN TAXATION

**The Information provided below does not purport to be a complete summary of Italian tax law and practice currently applicable. Prospective investors who are in any doubt as to their tax position should consult with their own professional advisers.**

No Italian income or other Italian taxes will be levied or applied by the Issuer by way of withholding, deduction or otherwise in connection with any payments by the Issuer of principal or interest in respect of the Instruments to non residents of the Republic of Italy (“**Italy**”) having no permanent establishment in Italy.

If the Instruments are held by Italian resident companies or similar commercial entities and the Instruments are deposited with an authorised intermediary, interest and other income from the Instruments must be included in the relevant holder’s income tax return and are therefore subject to general Italian corporate taxation (and, in certain circumstances, depending on the “status” of the holder, also to IRAP, the regional tax on productive activities).

If the Instruments are held by individuals resident of Italy acting in a business capacity, interest in respect of the Instruments will be subject to a substitute tax (currently at the rate of 12.5 per cent.) withheld by the authorized intermediary in Italy making the payment; interest and other income from the Instruments must also be included in the relevant holder’s income tax return and the 12.5 per cent. substitute tax is creditable against the overall tax due.

If the Instruments are held by residents of Italy who are individuals not acting in a business capacity, non-business partnerships (simple partnerships other than business partnerships and other organizations considered by law as business partnerships or limited partnerships), public or private entities not exercising business activities including national or local government entities or other entities or organizations not subject to corporation income taxes, the 12.5 per cent. substitute tax shall be a final tax. If holders of Instruments subject to such final tax hold the Instruments through an authorized intermediary in Italy having asset management power over such Instruments, such holders may opt to pay a final 12.5 per cent. tax levied by the intermediary on all interest, other payments and gains deriving from such management on an annual basis (“**managed savings option**”). However, if holders of Instruments subject to such substitute tax on account of income taxes hold Instruments through such an assets manager, interest, other payments and gains will be taxed as part of their overall income.

If interest or principal are paid outside of Italy by an entity other than an authorized intermediary in Italy to residents of Italy who would otherwise be subject to the above 12.5 per cent. final tax, holders of Instruments must include the payments received in their income tax return and the payments shall be subject to a separate tax at a 12.5 per cent. rate or, at the holders’ option, to income taxes at the applicable rates to their overall income with a tax credit for taxes paid abroad.

If the Instruments are held by an Italian pension fund and are deposited with an authorised intermediary, interest, premium and other income relating to the Instruments and accrued during the holding period will not be subject to the substitute tax, but must be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to a 11 per cent. substitute tax.

If the Instruments are held by an Italian authorized investment fund investing in securities and are deposited with an authorised intermediary, interest, premium and other income relating to the Instruments and accrued during the holding period will not be subject to the substitute tax, but must be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to a 12.5 per cent. substitute tax.

If the Instruments are held by an Italian real estate investment fund investing and are deposited with an authorised intermediary, interest, premium and other income relating to the Instruments and accrued during the holding period will not be subject to the substitute tax.

Non-residents of Italy having no permanent establishment in Italy will not be subject to Italian capital gains taxes in respect of the disposal or the redemption of the Instruments.

Gains realized on the disposal or redemption of Instruments by residents of Italy who are individuals not acting in a business capacity or by non-business partnerships and similar organizations will be subject to a final capital gains tax currently at the rate of 12.5 per cent. The tax applies to all gains and losses realized in the relevant year and losses may be carried forward to the subsequent four years. Said holders of Instruments may opt to pay capital gains tax declaring the gains in their annual income tax return or, if the Instruments are deposited with an authorized intermediary in Italy, authorizing the intermediary to levy the said capital gains tax (“**administered savings option**”). If they have elected the managed savings option, gains realized will be subject to the tax applicable thereto. Instead, gains realized by residents of Italy who are individuals acting in a business capacity, partnerships, limited partnerships, corporations or permanent establishments of foreign corporations shall be subject to income or corporation taxes as part of the overall income; gains realized by investment funds will be subject to the taxes applicable thereto.

Death duties and gift taxes apply in Italy.

### **European Withholding Tax Directive**

EU Directive No. 2003/48/EEC regarding the taxation of savings income (“**Directive No. 48**”) entered into force on 1 July 2005. Directive No. 48 introduces a mandatory exchange of information system on certain payments of interest made by a paying agent established in an EU Member State to beneficial owners who are individuals resident in a different EU Member State(s). In principle, the application of Directive No. 48 requires paying agents to identify the beneficial owner of certain interest payments and to collect the relevant data to be transferred to the competent tax authorities of the State of establishment of such paying agent. An exchange of information of the competent authorities between the EU Member State of residence of the paying agent and the EU Member State of residence of the beneficial owner is aimed at ensuring that the latter is actually taxed on its savings income.

The Italian Government has implemented Directive No. 48 with Legislative Decree No. 84 of 18 April 2005 (“**Decree No. 84**”). Decree No. 84 will apply to payments of interest made by paying agents established in Italy to beneficial owners who are individuals resident in a different EU Member State as well as in the dependent or associated territories that have adopted similar legislation (Jersey, Guernsey, Isle of Man, Netherlands Antilles, British Virgin Islands, Turks and Caicos, Cayman Islands, Montserrat, Anguilla and Aruba). According to Article 1(1) of Decree No. 84, the definition of paying agents includes, *inter alia*, banks, SIMs, SGRs, fiduciary companies, financial intermediaries, and any economic operator that may be involved, commercially or professionally, in a payment of interest.

More specifically, according to Article 5 of Decree No. 84, paying agents shall provide the Italian tax authorities with the following information: identity and residence of the beneficial owner; name and address of the paying agent; account number of the beneficial owner or, otherwise, information of the debt claim giving rise to the interest payment and amount of interest paid. For contractual relations entered into, or transactions carried out in the absence of contractual relations, on or after 1 January 2004, residence of the beneficial owner is ascertained on the basis of the address indicated in the passport (if any), in the official identity card or, if necessary, on the basis of any other evidence. Where the beneficial owner has an EU passport or identity card and is resident for income tax purposes in a third country, he shall file a tax certificate issued by the State of residence. Any individual receiving an interest payment is deemed to be the beneficial owner, unless he provides evidence that it was not received or secured for his own benefit.

Companies, similar entities subject to taxation on business profits, UCITs passported under Directive No. 85/611/EEC and non-passported UCITs that have elected to be treated like passported UCITs are excluded from the application of Decree No. 84.

Mistakes, omissions and any other contravention may be fined under Decree No. 84 with sanctions from € 2,065 to € 20,658.

Either payments of interest on the Instruments or the realisation of the capitalised interest through a sale of the Instruments would constitute “payments of interest” under Article 6 of Directive No. 48 and, as far as Italy is concerned, Article 2 of Decree No. 84.

Accordingly, such payment of interest arising out of the Instruments would fall within the scope of Directive No. 48 being the Instruments issued after 1 March 2001 (see Articles 15 of Directive No. 48 and Article 2(5) of Decree No. 84).

Directive No. 48 provides that Austria, Belgium and Luxembourg shall apply a withholding tax for a transitional period, as defined therein, unless during such period they would elect otherwise. The withholding tax shall be levied at the rate of 15 per cent. during the first three years of the transitional period, 20 per cent. for the subsequent three years and 35 per cent. thereafter. Directive No. 48 provides for the exemption from the withholding tax to the extent that the beneficial owner provides the paying agent with minimum data requirements. The mechanism of application of such withholding tax would, however, be governed by the implementing legislation of the relevant country to which the investors in the Instruments shall refer to.

Each of the Dealers has agreed that it will not offer, sell or deliver any Instruments in bearer form within the United States or to U.S. persons except as permitted by the Dealership Agreement.

In addition, until 40 days after the commencement of any offering, an offer or sale of Instruments from that offering within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

### United Kingdom

Each Dealer has represented, warranted and agreed that:

- (a) **No deposit-taking:** in relation to any Instruments having a maturity of less than one year:

- (b) **Financial promotion:** it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Instruments in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and

For the purposes of this paragraph, “Japanese Person” shall mean any person resident in Japan, including any corporation or other entity organised under the laws of Japan.

### **Republic of Italy**

The Instruments may not be offered, sold or delivered and neither the Simplified Base Prospectus nor any other document relating to the Instruments may be distributed or made available in the Republic of Italy except by investment firms, banks or financial intermediaries permitted to conduct such activities in the Republic of Italy in accordance with Legislative Decree No. 385 of 1 September 1993, Legislative Decree No. 58 of 24 February 1998 and any other applicable laws and regulations.

### **General**

Other than with respect to the listing of the Instruments on the relevant stock exchange, no action has been or will be taken in any country or jurisdiction by the Issuer or the Dealers that would permit a public offering of Instruments, or possession or distribution of any offering material in relation thereto, in any country or jurisdiction where action for that purpose is required. Persons into whose hands the Specified Base Prospectus or any Final Terms comes are required by the Issuer and the Dealers to comply with all applicable laws and regulations in each country or jurisdiction in or from which they purchase, offer, sell or deliver Instruments or have in their possession or distribute such offering material, in all cases at their own expense.

The Dealership Agreement provides that the Dealers shall not be bound by any of the restrictions relating to any specific jurisdiction (set out above) to the extent that such restrictions shall, as a result of change(s) or change(s) in official interpretation, after the date hereof, in applicable laws and regulations, no longer be applicable but without prejudice to the obligations of the Dealers described in the paragraph headed “General” above.

Selling restrictions may be supplemented or modified with the agreement of the Issuer. ## Public Debt

The following table shows the total debt incurred by the Treasury as of the dates indicated. Total debt incurred by the Treasury differs from Italy's total public debt as it does not include liabilities to holders of postal savings accounts and debt incurred by other state sector entities and other general government entities.

	<u>31 December</u>	<u>31</u>
	<u>2005</u>	<u>December</u>

Total marketable debt incurred by the Treasury .....	<u>1,208,202</u>	<u>1,250,428</u>

(1) Italy often enters into currency swap agreements in the ordinary course of the management of its debt. The total amount of external bonds shown above takes into account the effect of these arrangements. In addition, the total amount of external bonds shown above includes U.S.\$989 million of debt originally incurred outside Italy by Ferrovie dello Stato S.p.A., or FS, the State railway entity, and assumed by the Treasury by law in 1996.

(2) The total amounts of external bonds shown above include approximately U.S.\$339 million in obligations outstanding at 31 March 2006 under Italy's EUR 10 billion Commercial Paper programme, with maturity of less than one year. All amounts of debt outstanding under Italy's Commercial Paper programme are repaid in full every year by year-end. Accordingly, as at 31 December 2005 Italy had no amounts outstanding under its Commercial Paper programme. The total amount of external bonds shown above does not include ISPA Notes which are fully described herein.

(3) The amount of external bonds shown above is not directly comparable to the total amount of external bonds indicated in the table "External Bonds of the Treasury as of 31 March 2006" below, which does not take into account (i) the effect of currency swaps, (ii) FS debt incurred outside Italy and (iii) Italy's Commercial Paper programme.

In May 2005 Eurostat classified the debt of Infrastrutture S.p.A. (now merged into Cassa depositi e prestiti S.p.A.) under its notes and loans funding programme (the “**ISPA Programme**”, which was established for the financing of the Turin-Milan-Naples line of the Italian high-speed railway network), as public debt of the Republic of Italy.

By the provisions of Law No. 296 of 27 December, 2006 (the “**Italian 2007 Budget Law**”), the Republic of Italy has formally assumed, by way of *accollo*, all the debt obligations incurred by ISPA under the ISPA Programme. As provided for in the Italian 2007 Budget Law, the Ministry of Economy and Finance issued a decree (“**MEF Decree**”) on 27 December 2006 to describe the means by which the said assumption of debt (*accollo*) is to be carried out and to identify the debt obligations incurred by ISPA under the ISPA Programme. The debt obligations relating to the notes issued under the ISPA Programme (the “**ISPA Notes**”) are described in the tables below.

In accordance with the Italian 2007 Budget Law and the MEF Decree, it is envisaged that the ISPA Programme's documents, including the terms and conditions of the ISPA Notes (the “**ISPA Terms and Conditions**”), will be amended pursuant to the provisions governing the ISPA Programme. It is also envisaged that such amendments shall be made in order for the ISPA Terms and Conditions to be aligned with the Conditions. Consequently, once the amendment of the ISPA Terms and Conditions will have been

duly carried out and become effective, the ISPA Notes shall be deemed to constitute Notes and rank *pari passu* with the Notes issued and to be issued by the Republic of Italy under the Programme pursuant to this Base Prospectus.

### **Political Developments**

On 9 and 10 April 2006, Italy held political elections. The centre-left coalition, led by Romano Prodi, won these elections with an aggregate 49.805 per cent of the votes, while the centre-right coalition, led by Silvio Berlusconi obtained an aggregate 49.739 per cent of the votes. The remaining 0.456 per cent. reflects the new proportional election system. Even in the Upper House the buffer between the two coalitions was very small, with the centre-left gaining the absolute majority in the Chamber. Prodi was subsequently appointed as Prime Minister by Giorgio Napolitano, Italy's President and elected by Parliament on 15 May 2006. Prodi formed a new government that was sworn in on 16 May 2006 and that received a vote of confidence by a majority of Parliament on 23 May 2006.
